RMC Research Foundation Begins 2007 with New Leadership

At its Fall Board of Trustees meeting last October, the RMC Research Foundation elected new Trustees and Officers for 2007. Frank Anderson – Lehigh Cement, Dominique Calabrese – Lafarge, George Gregory – Essroc Cement, Jim Kitzmiller – Hanson Aggregates, Gene Martineau – US Concrete, Norm Nelson – Lyman-Richey Corp./Ash Grove Cement and Karl Watson, Jr. – Rinker Materials were each elected to three-year terms. All except Mr. Kitzmiller have previously served on the Foundation's Board of Trustees. The Board also elected Dominique Calabrese to serve as the 2007 chairman. Mr. Gregory was elected to the position of vice chairman and George Hossenlopp with Florida Rock Industries was elected as secretary/treasurer.

The RMC Research Foundation would like to thank Christopher Crouch, the 2006 chairman of the Board of Trustees, for his service and leadership over the past year. Mr. Crouch will continue to serve as a member of the Board of Trustees.
