Vancouver Sun Run

Lehigh's runners from Delta and Richmond were part of a record crowd of more than 54,000 participants who turned out for the Vancouver Sun Run.

Early on Sunday, April 15th personnel from Lehigh Cement Delta and the Richmond office teamed up to join 54,317 people at the annual 10 km Vancouver Sun Run.

With sunny skies above, the race started from the center of the city and meandered through Stanley Park, along English Bay, across Burrard and Cambie Street bridges finishing at BC Place.

Along the way local bands played upbeat songs, crowds cheered, water carriers handed out drinks and at the 5 km mark tables were set up with fruit, bagels and juice for those needing some supplements to finish the race!

This is the 23rd year the event has been held. Money raised goes to the Raise-a-Reader campaign. The Vancouver Sun Raise-a-Reader campaign is designed to generate awareness and raise money for children's literacy programs and resources in BC.
